Hello,

I made a few tweaks to the letter – see attached and in the share drive. I'm hopeful we can get this out in the Awareness Notification process today or tomorrow.

Sheila, I checked with Denise Walker, NFO, as we discussed. There's no avoiding the AN process, I'm afraid.

Thank you.

Hi Jennifer,

Thanks for all that work. I have attached the letter and it can be found here: G:\Denali\ECL FOIA\FOIA Requests - ACTIVE\19 - 007755 Blutstein (AN)\Correspondence

I will resend my draft of the AN letter.

If we get it out by 8/29 it will get through in time with the AN process. I would prefer sending it 8/28, if possible, as I am here that day, but not 8/29 or 8/30.

Thanks so much.

Kind regards,

Lara

Hello,

We received the workspace this morning. I Elly – I left you a voicemail - and Sheila, I see no responsive records, but I asked for access in case you'd like to look for yourselves. I searched the "from" box for "Hale" and got zero results. I search "Inslee" in the main search box and only got attachments, no emails from Elly, which was the extent of the search. I also gave our Superfund Records Center staff access just as an extra check on the search.

Looks to me like we can close this FOIA. Lara, will you please circulate the letter? And it is Awareness Notification – can we close before we have to extend? What's our due date?

Thank you.

-Jennifer
